```

Cuya apariencia es:

Realiza los siguientes diseños utilizando las propiedades de los elementos *flex*. En los casos en los que se pueda hacer de varias maneras, busca la que menos propiedades haya que utilizar.

1	A horizontal gray container with three small colored squares (blue, green, and red) aligned to the right edge.
2	A horizontal gray container with three small colored squares (red, green, and blue) stacked vertically on the left edge.
3	A horizontal gray container with three small colored squares (blue, green, and red) stacked vertically on the left edge.
4	A horizontal gray container with three small colored squares (red, green, and blue) aligned to the right edge.
5	A horizontal gray container with three small colored squares (red, green, and blue) centered horizontally.
